

*Simplify your engineering & technology efforts*

# TECHGENICS INSIGHT ENGINEERING & CONSULTING PRIVATE LIMITED

An ISO 9001:2015 certified company

## ABOUT US

Welcome to **TIECPL** (Techgenics Insight Engineering and Consulting Pvt. Ltd.), a powerhouse in the construction and design industry, where innovation, expertise, and a passion for excellence converge. We are a multidisciplinary firm specializing in RCC structures, PEB solutions, architecture design, civil construction and Engineering Consultancy for construction, dedicated to shaping environments that inspire and endure.

## OUR VISION

At TIECPL, our vision is to be at the forefront of transformative construction, creating sustainable spaces that seamlessly blend aesthetics, functionality, and structural integrity.

## WHY TIECPL?

1. **Integrated Expertise:** TIECPL offers a holistic approach to construction and design. Our integrated expertise spans the strength of RCC structures, the efficiency of PEB solutions, the creativity of architectural design, and the precision of civil construction.
2. **Innovative Design Excellence:** Immerse yourself in a world of innovative design with our in-house team of architects. We are committed to pushing the boundaries of creativity, delivering designs that are not only visually striking but also functionally optimized.
3. **Construction Prowess:** With a team of seasoned engineers and construction professionals, we bring technical prowess to every project. From the foundation of civil construction to the finishing touches, we execute with precision and excellence.
4. **Client-Centric Approach:** Your aspirations and satisfaction are our top priorities. We believe in open communication, collaboration, and a personalized approach to ensure that each project reflects your unique vision and exceeds expectations.
5. **Sustainable Solutions:** TIECPL is dedicated to sustainable construction practices. We embrace eco-friendly materials, energy-efficient designs, and environmentally conscious construction methods to minimize our ecological footprint.

***Delivering Results  
Exceeding Expectations***

# OUR SERVICES

## PEB STRUCTURE SERVICES

Factory Buildings, Warehouses, Aircraft Hangars, Indoor Stadiums, Fuel Stations, Metro Stations, Bus Terminals, Parking Lots, Schools, and Outdoor Stadiums, Show Rooms, Office Complexes, Commercial Complexes & Supermarkets

## RCC STRUCTURE SERVICES

Residential Construction Services, Industrial construction services, Commercial construction services, Institutional construction services.

## **ARCHITECTURE SERVICES**

- Schematic Design (SD)
- Detailed Design (DD)
- Construction Documentation (CD)
- Plan for Floor ,Foundation,Roof,Electrical
- Exterior Elevation
- Interior Elevations
- Building Cross Section
- Furniture Layout and details
- Landscape Design
- Interior Design (Realistic Rendering)
- BOQ & BOM
- Structure Drawing and certification
- Foundation Drawing
- Vastu and Space Management
- Walk through Video
- Building information Model(BIM)
- Supervision Consultancy
- Interior Design & Execution

**GET QUOTE**

## CONSTRUCTION SERVICES

Residential Construction Services, Industrial construction services, Commercial construction services, Institutional construction services.

### Engineering Consultancy for CONSTRUCTION

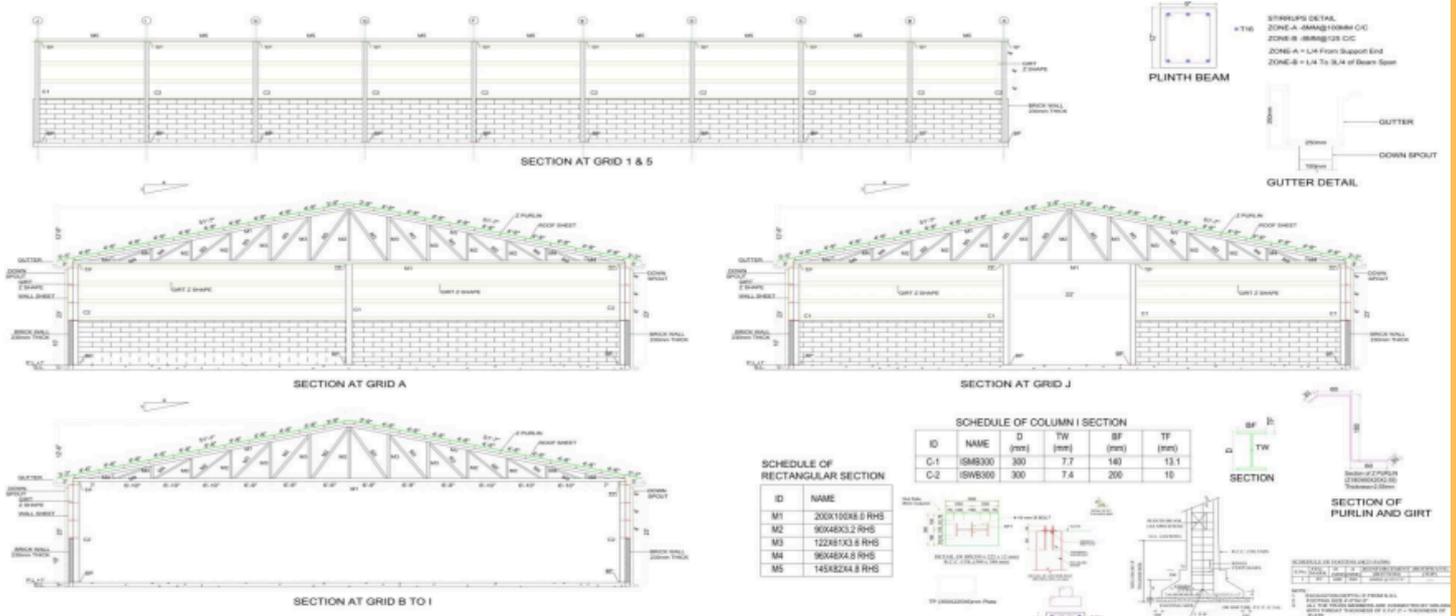

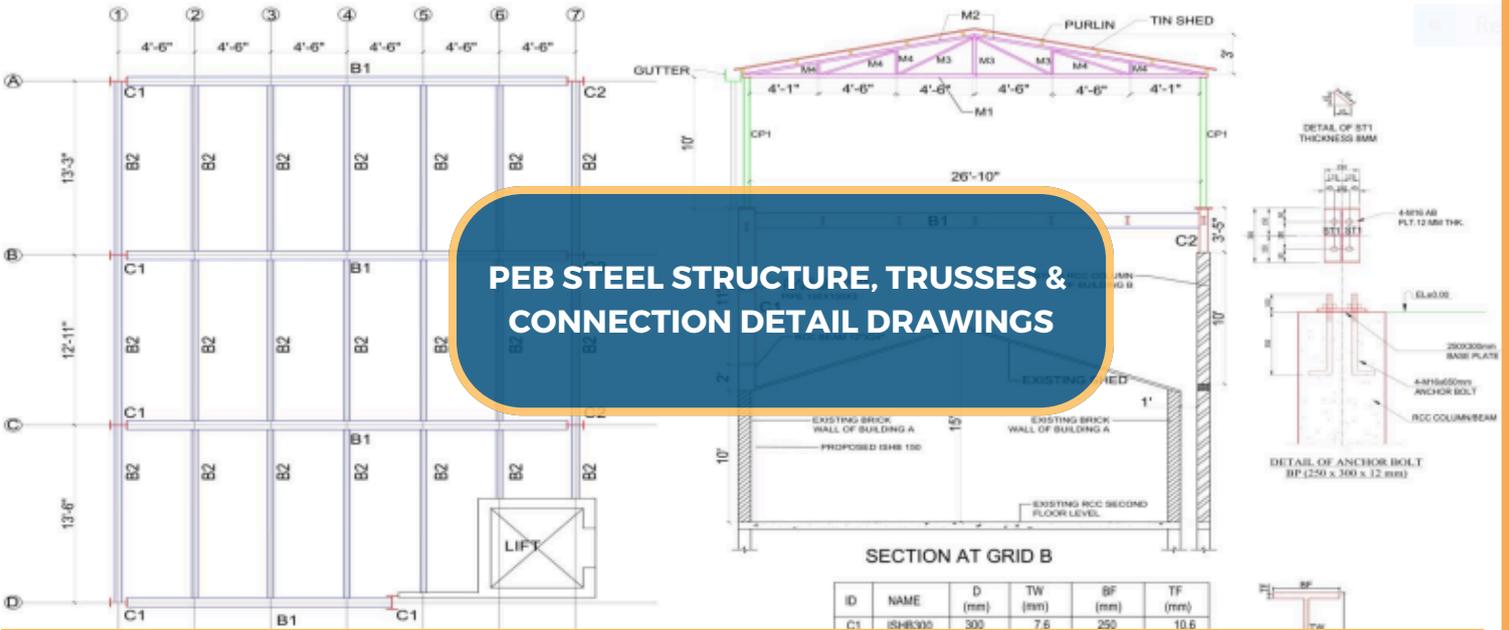

- Soil Testing
- Municipal Plan Preparation
- Liaising with the Municipal Departments
- Plan Approvals
- Finalization of Material Specifications with the Customer
- Detailed Construction Cost Estimates
- Quality Control and Assurance
- Joint Inspections with Customer
- Work Supervision
- Chartered Engineer certification
- Fire and Safety
- Design & Analysis Report

**GET QUOTE**

# OUR PORTFOLIO

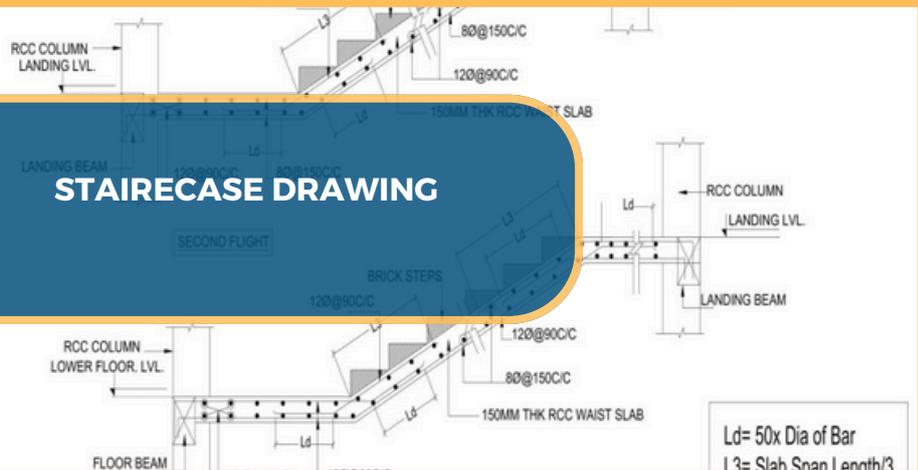

## PEB STEEL STRUCTURE, TRUSSES & CONNECTION DETAIL DRAWINGS

## STAIRESCASE DRAWING

### SECTION

STIRRUPS DETAIL  
 ZONE-A-8MM@100MM C/C  
 ZONE-B-8MM@125 C/C  
 ZONE-A = L/4 From Support End  
 ZONE-B = L/4 To 3L/4 of Beam Span  
 d = Effective Depth of Main Beam
